sat WA'N STREET, Hemphis, Ten

MR. R. A. Osmer, grand treasurer of the Knights of Honor of the United States, died yesterday, at Jamestown, New York.

THE Vicksburg Herald suggests day went to New York. ex-Chief Justice H. F. Simrall, of tive of the south for a place in Gar- to Paris on a leave of absence. field's cabinet.

THE Cincinnati Enquirer is profesaedly democratic in sentiment, but is so near republican in tone, that the leading democrats of Ohio are considering the feasibility of adopting or starting another organ.

GENERAL Galusha Pennypacker, colonel of the Sixteenth infantry, is assigned to the command of the post at San Autonio. General Pennypacker was for some time in command at Nash. was won by Laycock as he pleased ville, Tennessee, and afterwards at with Hawden second. Elliott did not New Orleans, and has always been finish, and Farrgur early gave up the ple. He will meet with a cordial in the second heat Wallace Ross, of welcome by the Texas people.

ARKANSAS will be the only state represented in the next congress by a negro. He is a barber, and defeated Hon. Poindexter Dunn by a close shave.—Nashville Banner.

London, November 18.—The steam.

London, November 18.—The steam.

It is stated by a Kuoxville paper that Colonel James L. Gaines, the present efficient, courteous and popular correspondent telegraphs as follows:

The American legation here has redicted for re-election. A more thoresided as the control of the state, will be a can didate for re-election. A more thoresided as the control of the control of the state, and the control of ough and efficient officer never filled the place. When first elected, he want to work in his quiet, systematic way and mastered the details of the way and mastered the details of the office, which are numerous and complicated. He has brought to bear a high executive ability, discharged his trust faithfully and given gancral satisfaction. We have not heard that he has any opposition for re-election, and feel sure that the state could not do better than retain his services. The idea of rotation in office, which has a considerable hold on the public mind, and is always agitated. by office seekers, is a great fallacy and here consists in the investigation of and the pienie was about to sour seat, approached the door, in an in the public mind, and is always agitated by omeo seekers, is a great lattacy and cases in which German born on his stomach, when I walk-stant was on the platform, like a flash ness principles. Offices are not made but naturalized American citizens ed into the yard. He saw was hanging between heaven and ness principles. Offices are not made for men, but are agencies excated to carry on the business of when the international agreement on the community or state when the international agreement on the same as to say. "You can tackle that the mean hour, and before any one knew it, resigned himself to the community or state the subject is proved capable of being cheese somewhere.
